Summary

Passionate Game Designer with a diverse background in game development, pre-production, production, and release. With devoted volunteer time spent coordinating and executing game sessions, emphasizing emotional intelligence, collaborative storytelling, team-based problem-solving, and strategic resource management.

Education

DAE, Howest

Bachelor

Independence Game Production Kortrijk, Belgium • Sep 2022 - Jun 2026
A course built around game design has its core specialty: ensuring that every skill is learned in art, programming, and production, focused on executing and realizing game design.

FutureGames

Higher Vocational Education Diploma

Game & UX Design Skellefteå • Aug 2020 - Jun 2022
Work with user research, data, game psychology, and design thinking to shape how players interact with games and digital services.

Experience

Oiso

Ghent, Belgium

Production & Game Design intern Feb 2026 - Jun 2026
Worked as a Production & Game Design intern for Oiso, for the last semester of my studies, where I was involved in the creation of prototype games and production of a vertical slice for a game.

Projects

Catcho Man

Sep 2025 - Dec 2025

group projects games for my final year at DAE. where i did work has Game designer and Artist, game was finalist for The Rookies 2026, for Game of the year.

Bap Cat

Okt 2024

A short game created for a game jam organized by DAE, with a simple concept of a cat spreading chaos in their owner's cafe, the game was 4th in people's vote.
